

Personal Support Worker Community of Practice Series

Culturally Relevant Care

Co-Hosts: Tracey Human and Diane Roscoe

Guest Speaker: Dr. Naheed Dosani

Date: May 3, 2022

The Palliative Care ECHO Project

The Palliative Care ECHO Project is a 5-year national initiative to cultivate communities of practice and establish continuous professional development among health care providers across Canada who care for patients with life-limiting illness.

LEAP Personal Support Worker

- Online, self-learning course that provides personal support workers and care aides with the essential competencies to provide a palliative care approach.
- Interactive online modules completed at your own pace (approximately 8 – 10 hours of work).
- Short quizzes at the end of each module to assess knowledge.
- For personal support workers, care aides, and health care assistants working in long-term care, home care, nursing homes, and acute care.

LEAP

**PERSONAL
SUPPORT WORKER**

- This session is being recorded and will be emailed to registrants within the next week.
- Remember not to disclose any Personal Health Information (PHI) during the session
- Terminology (Personal Support Worker)

Series Objectives

Our PSW Palliative Care Community of Practice

- **PSWs with a passion to become PSW experts in palliative care**
- A place for Peer-to-Peer practice support
- Facilitated and coached by palliative care experts
- Shared skill building in the Palliative Approach to Care
 - We engage in topic-based discussions, share knowledge and experiences to learn from each other, used cases to practice applying our skill caring for individuals/ families living with life-limiting illness
 - We share resources, tools, best-practice approaches
- Build on foundational knowledge acquired through LEAP PSW
